

Snow and Emergency Situation Policy

An allowance for four snow days is built into the school calendar.

The MICH snow and inclement weather policy is as follows:

1. If Anne Arundel County Schools open late, there will be no morning Extended Day. Our school will begin at 9:30 AM (one hour delay).
2. If Anne Arundel County Schools are closed, MICH will also be closed.
3. If Anne Arundel County Schools close early, MICH (school and Extended Day) will close at 1:00 PM. Parents are encouraged to pick children up as soon as possible after closing announcements are made. You will receive an automated phone call from school alerting you of this situation.
4. If Anne Arundel cancels all after school activities, all students will be dismissed at 3:15 and PM Extended Day will be cancelled. Parents with children signed up to stay past 3:15 will receive an automated phone call alerting you to this situation.

Please Note: Parents who work out of town must make contingency plans for these emergency situations. These plans should be in place at the beginning of the school year. Please be considerate of the personnel who must remain at school until the last child has been picked up.

Please check MICH website (www.montessorinternatinal.org) or voicemail (410-757-7789) for announcements regarding morning closings. You will not receive a phone call from MICH for morning closings or delays. **Remember to check before leaving for school, because closing announcements can change as the weather conditions evolve.**

If you would like to be notified of Anne Arundel County School closings, sign up at <http://www.SchoolsOut.com>. There is no cost for email notifications; text message notifications are available for a fee.
